Research Fields

Primary: Health Economics; Labour Economics; Applied Microeconomics

Secondary: Energy and Environmental Economics; Public Economics; Housing Economics;
Applied Econometrics

Academic Appointments

Adjunct Research Fellow, School of Society and Culture, Adelaide University	2025–present
Adjunct Research Fellow, Centre for Health Research and School of Business, University of Southern Queensland	2023–2026
Research Fellow, Australian Centre for Housing Research, University of Adelaide	2023–2025
Research Associate, Queensland University of Technology	2021–2022
Assistant Professor of Economics, American International University-Bangladesh	2016–2017
Lecturer in Economics, American International University-Bangladesh	2013–2016
Graduate Research Assistant, Texas A&M University	2009–2011

Education

Ph.D. in Economics (Health Economics), University of Southern Queensland, Australia	2021
Dissertation: Inequity and Inequality in Australian Mental Health and Care Systems: An Investigation into the Economics of Wellbeing	
M.Sc. in Economics, Texas A&M University, United States	2011
M.S.S. in Economics, University of Dhaka, Bangladesh	2008
B.S.S. (Honours) in Economics, University of Dhaka, Bangladesh	2007

Working Papers

- Hashmi, R., & Keating, B. W.** “The Long Tail of Disability Employment Disadvantage.” Working paper in progress.
- Hashmi, R., Clair, A., & Baker, E.** “Understanding the Drivers of Residential Energy Expenditure: A Novel Household-Level Analysis Using Panel Regression Models.” SSRN Working Paper 5175407.
- Hashmi, R., Clair, A., & Baker, E.** “Energy Poverty and Mental Health-Related Quality-of-Life Dimensions.” SSRN Working Paper 5175411.

Research in Progress

- Hashmi, R.** “Causal Inference with Longitudinal Data: A Theoretical Framework for Dynamic Selection and State Dependence.” Research in progress (working title).
- Hashmi, R.** “Mental Health Care Markets, Access, and Inequality in Australia.” Research in progress (working title).

Grants and Sponsored Research

Associate Investigator (previously Chief Investigator M). Whose Care Is Left Behind? A Multi-Level Collective Strategy to Address Structural Inequalities in New Models of Care with Priority Populations. Medical Research Future Fund, A\$4,000,000. 2025

Chief Investigator A. Child Left Behind: Housing Preference and Mental Health. University of Adelaide ABE Faculty ECR Leadership Grant, A\$4,859.	2023
Chief Investigator C. Health Economics and Policy. University of Southern Queensland Centre for Health Research Small Research Grant, A\$3,000.	2022

Honours and Awards

University Award for Outstanding Achievement – Research Excellence and Impact (Interdisciplinary Team), University of Adelaide.	2024
ABLE Faculty Early Career Researcher Leadership Grant, University of Adelaide.	2023
Centre for Health Research Small Research Grant, University of Southern Queensland.	2022
UniSQ Award for Excellence in Doctoral Research, The University of Southern Queensland.	2021
HDR Student Publication Excellence Award for Journal Article, The University of Southern Queensland.	2020

Teaching Experience

University of Southern Queensland

ECO 3030 Sustainable Economics — <i>Assistant Examiner; lectures, course updates, learning-management-system administration, and assessment</i>	2018, 2019, 2021
ECO 3010 International Economics and Trade — <i>Marking Assistant</i>	2019
ECO 3002 Economic Policy Analysis — <i>Course Team Member; learning-management-system administration and assessment</i>	2021
ECO 1000 Economics — <i>Marking Assistant</i>	2018

American International University-Bangladesh

ECO 4121 Applied Econometrics — <i>Instructor</i>	2013–2016
ECO 3218 Econometrics — <i>Instructor</i>	2013–2016
ECO 3104 Health Economics — <i>Instructor</i>	2014–2017
ECO 1202 Introduction to Macroeconomics — <i>Instructor</i>	2013–2017
ECO 1101 Introduction to Microeconomics — <i>Instructor</i>	2014–2017

Graduate Supervision, Examination, and Mentoring

Ph.D. Supervision: Md. Mahmudul Hasan Sagar, Centre for Health Services Research, The University of Queensland, 2025–present (external supervisor / supervisory team member).

Master's Dissertation Examiner: The University of Western Australia and The University of Queensland; topics include informal caregiving and retirement intentions, heart disease and healthcare utilisation, and bronchitis and health-related quality of life.

Researcher Development: Mentoring of research assistants and junior collaborators in data management, econometric analysis, interpretation, and manuscript development.

Selected Invited Seminars and Conference Presentations

"Mental Health Effects of Energy Poverty: Why Measurement Matters," AHES Special Interest Group in Economics of Mental Health, invited seminar.	2025
"Understanding Job Satisfaction and Employment Mode Trajectories for People with Disability," Impact Centre for Disability Research and Policy, University of Sydney, invited seminar.	2024
"Understanding the Long-Term Effects of Energy Poverty on Mental Health," 45th Annual Australian Health Economics Society Conference, Sydney.	2024

"Understanding Household Energy Expenditure and Inequality in Australia," Joint APNHR–AHRC Australasian Housing Conference, Adelaide.	2024
"Socioeconomic Inequalities in Health-Related Quality of Life among Australians with Disability," 44th Annual Australian Health Economics Society Conference, Adelaide.	2023
"An Investigation of the Longitudinal Trajectory Patterns of Health-Related Quality of Life among Australians with Disabilities," HILDA Survey Research Conference, University of Melbourne.	2023
"Horizontal Inequities in the Delivery of Psychiatric Care: Australian Evidence," International Health Economics Association World Congress.	2021
"Modelling Mental Health Status of Australian Youth Using Longitudinal Data," UNSW Arts & Social Sciences Postgraduate Conference.	2020
"The Measurement and Explanation of Socioeconomic Health and Income Mobility in Australia Using Panel Data," Measurement and Microeconometrics Symposium, Griffith University.	2019

Professional Service

Editorial Committee Member, Australian Health Economics Society Newsletter Committee, 2025–present.

Lead Editor, Australian Health Economics Society Newsletter, May 2026 issue.

Abstract Reviewer, International Health Economics Association (iHEA), 2025–present.

Peer reviewer for international journals in economics, health economics, public health, population health, and social science.

Organiser and contributor, World Mental Health Day research-translation events, 2023 and 2024.

Contributor to multidisciplinary research networks spanning economics, health, housing, disability, mental health, and social policy.

Additional Information

Software: Stata (advanced); R and Python (working knowledge).

Languages: Bengali (native); English (fluent).
